SILVIA SUMBA

SCHOOL: NEW LONDON ADULT & CONTINUING EDUCATION

ACCOMPLISHMENTS:

A native of Ecuador, Silvia enrolled in a beginner's level ESL class in 2005, at which time she had a 7 month old and 3 year old. Making huge strides in her education and learning to speak English, she was promoted to Intermediate level ESL. In Fall 2007 Silvia enrolled in Spanish GED classes, and in December 2008 she passed the Spanish GED. Today, Silvia is an Advanced ESL student, and through the progress of her studies, guides her children's education as they achieve their academic goals.

DIRECTOR'S QUOTE:

Silvia is a positive role model for our Even Start parents. She realized early on that she was her children's first teacher and in order for her children to have future school success, she needed to further improve her own education. Despite the milestones already achieved in her personal life, Silvia continues to pursue her education to develop the skills needed to improve her chances of getting a job and assure her family's future success.
