CHRISTOPHER CLOUET, Ed. D.
Superintendent of Schools

Christine Carver
Acting Assistant Superintendent of Schools

May 21, 2008

Dear Parent or Caregiver:

We are excited to announce another option for New London children who will be in kindergarten, first, second and third grades next year. The new Shoreline Academy, a CommPACT K-3 school will open at the beginning of the 2008-2009 school year. Shoreline Academy will be temporarily housed at Winthrop School at 90 Cedar Grove Avenue.

Bill Gates once said, "(learning) is rooted in the vision of an empowered community where education is continuous, relevant, adaptive and incorporates best in class technology in every area of learning." We at Shoreline Academy embrace this vision. We have the expertise of experienced teachers with the innovative support of UConn. While we ensure our students are mastering standards, we engage their imaginations and develop their love of learning and exploration through the Arts, performance and technology. At Shoreline Academy, Academic Rigor is our expectation; students demonstrating their knowledge is our dream.

If you wish for your child to be considered for enrollment, please complete the attached form and return it to your child's school secretary. Students living beyond the one mile walking distance will be transported to school. In the event of an overwhelming response, a lottery will be conducted to choose students for enrollment in this school.

There will be an informational forum on Tuesday June 3 at 6:30 p.m. at the Science and Technology Magnet High School. If you have any questions, please call the Assistant Superintendent's office at 447-6000.

Sincerely,

Christine Carver
 Acting Assistant Superintendent of Schools

I wish for my child to attend Shoreline Academy during the 2008-2009 school year. I understand a teacher will follow up with me.
