

NL Board of Education  
Early Childhood Committee

*Proposed Committee Mission*  
(Second Revision)

- I. The Function of this Committee is:  
to bring questions, ideas, suggestions and recommendations to the BoE in regard to the school readiness of our pre-k children and in regard to how to bring about their school readiness;
  
- II. The Goals of this Committee are:
  - A. to provide that all N.L. students begin kindergarten with the knowledge, skills and behavior needed for success in school;
  - B. to strive for the parents of all preschool children to be actively engaged in their children's education;
  - C. to work for all N.L. three and four year olds to have access to quality preschool education ( in SY 08-09 one quarter of the N.L. children starting kindergarten have not had pre-K preparation).
