Presidents Report March 13, 2008:

1. There being such a short time between meetings there is little to report other than attending and representing the BOE at City Council meetings.
2. On the fun side of this job, I continued to join Dr. Clouet hosting our weekly cable access television show PS New – New London every Wednesday Channel 25 from 7:00 – 8:00PM.
3. Conducted Administration committee meetings. Minutes of these meetings are on the agenda for your information.
