

Human Resources Report
January, 2008

The Human Resources Office reports the following district activity for this month:

1. There is a vacancy for a Literacy Coach at the BDJMS due to the resignation of J. Jannotti-Miller. The posting has closed.
2. Christopher Merot was hired to teach Social Studies at NLHS due to the movement of Ninon Gunassi from that position to ESL Social Studies.
3. Math or Science (Mr. Sullivan can make either work depending on our candidates) is vacant and the posting has closed. This vacancy has been filled by subs.
4. Eileen Blette has been hired as an Instructional Assistant to take the place of Kris Drew, a teacher who has transferred. Mrs. Carver felt that with the number and profiles of the students in the multi-handicapped class that an Instructional Assistant would serve well in that capacity as there is another teacher in the room. This will save money but also not compromise the quality of instruction received by the students. The class is at Nathan Hale.
5. Heather Nee was hired as an Instructional Assistant to replace Karla Marcille who retired at Nathan Hale.
6. There is a vacancy for an Instructional Assistant due to the retirement of Alyce Orenstein. This will be filled shortly at Nathan Hale.
