Online Questions submitted March 17, 2020:

1. If we do return to school before the end of the school year will students be required to attend school until June 30th or will students end on the planned last day?
   - The Governor is discussing this today, March 17, 2020. More information is forthcoming and will be shared with students and families.

2. Can work packets be picked up any other day this week?
   - Yes, they can be picked up at Bennie Dover Jackson Middle School, for grades K-8, and at New London High School Campus, for grades 9-12, during the serving of lunches between 11:30-12:30

3. How will teachers’ salaries be affected during the closure?
   - Teachers’ salaries do not change as they are contracted and will be contributing to work during the school closure.

4. Do we have to finish or do the packets?
   - Learning packets are not required however, they are highly recommended. This is optimal time to keep up with good work habits and moving forward with progress on mastering learning standards. We will continue to look for more and more opportunities for students to be actively engaged in learning throughout the school shutdown.

5. I can volunteer in any areas you might need help. Let me know, I’ll do anything
   - Thank you, as this unfolds, we may have those opportunities but for now the best way you can help is following the recommendations that are provided by the Governor.
