Harbor Spotlight: April 2022

Ana always has a great attitude toward her learning. She is new to New London and came here from El Salvador at the start of the school year. She works hard and always demonstrates CREW behavior with her peers and staff. She always has a smile on her face and is willing to help. She is a perfect example of a Harbor Crew Member. Additionally, she has near perfect attendance. Ana is a terrific addition to the fifth grade Harbor class. We are proud to honor Ana for her perseverance, kindness, and excellence.

HB Art Student of the Week:

Yarlin did a beautiful job working on her Nierika -- a yarn drawing developed over the centuries by the Huichol people in Mexico. Using color and precision, Yarlin is creating the symbol for Taoism, visually represented by the interaction of Yin and Yang energies. Fantastic job Yarlin!

Harbor Attendance

We take attendance every day, we look forward to seeing our students each morning. If your child will be absent, please call the school at (860) 447-6040 and let us know. At 9:45am every day automated calls will be sent. If you have any further questions, please check the parent handbook online or reach our school Social Worker, Mrs. Balestracci at balestraccik@newlondon.org

CREW Celebration! HB PE-MVP of the Week:

This week's MVP honors goes to Kenneth from first grade. His CREW behavior in class has been improving constantly. He has an incredible amount of energy and always participates in class.

HB Music Student of the Week:

Peyton is OUTSTANDING in Music class! She has been an excellent model of CREW behavior for her 2nd grade peers - she always makes wise choices and helps her friends to stay on task in Music. Peyton also did a wonderful job acting out our musical rendition of "The 3 Little Pigs." We love having you in Music. Peyton!

CREW Magnet Timeline Update!

HB Highlights:

Harbor School's 4th graders have been remarkably busy learning all aspects of reading fiction text and reading with their first-grade partner class. In math, they learned to work with fractions and in science they constructed a roller coaster to assess their knowledge of engineering. The fourth graders began collaborating with LIA (Latinos in Action) students from the New London High School and started spending time with Duke the Dog (therapy dog) after completing their SBAC testing.

Welcome to Spring! The Harbor CREW encourages all to participate, register, sign up for any wellness activities that you and your student can as spring approaches. Our team of teachers participating in our district wellness initiative has accumulated 801, 807 steps. Hopefully, we can make it to a million! Get outside and enjoy the sunshine!

As always, please find all information for Harbor via our webpage at <https://www.newlondon.org/harbor>.
